

## **CURRENT MEMBERS**

1. What services would you like to see MASFAP offer the membership to provide value for the annual membership dues?

(Please see dues listed below)

Membership fees for 2014 are based on total IPEDS enrollment:

Institution with an enrollment of 0-999 - \$175.00

Institution with an enrollment of 1,000-9,999 - \$325.00

Institution with an enrollment of 10,000-Up - \$475.00

Associate - \$175.00

1.	2.	3.	4.	5.
1 day trainings				
a meatier agenda at conferences				
best practices webinars	daily trainings	structure/emphasis/focus on regional FA groups	longer conference	networking capabilities outside of training environment
Comm chair create blog	Comm chair maintain social media accts	More social/network opportunities - the lodge isn't close to anything	People who don't half-ass	Highlight leaders in MASFAP on regional & national recognition: committee, elected, & get them to mentor or talk about their experiences - have a list of who these people are
Compliance/regulation updates and trainings	Conference and professional development opportunities offered at various locations in the State	Networking opportunities. I would like to see more activity on the listserv from the membership		
Compliance Officer Listserv	Continued trainings	Awesome conference	Training	Training
Compliance Training	Service Opportunity	Networking options		
conference	1 training 'topic of year'	website/listserv		
conference	town halls/training	communications		
continue conference	more pd opportunities			
Day Trainings for	Webinars	More communication	Updates from	

specific groups or topics	followed by chats to discuss	regarding State Legislative Issues	Masfaa, Nasfaa and other meetings or trainings for those not able to attend as well as reporting back	
detailed updates regarding FAFSA verification				
Discounted Lodging	Discounted Registration			
great conferences	special trainings	Monitor	listserv	
Hands on training FAMS systems				
I don't think I get what I pay for	My MASFAA membership is more valuable	It is time to leave the Lodge	Conference registration is too expensive	Committees need consistency
Legislative Process Training	Regulatory Training	Financial Aid Program Training	Leadership/Financial Aid Director Training	Represent the needs of the state of Missouri at the state & national levels
More activity in legislative initiatives from school members. This will require education of members but it is necessary.	Increase in training and leadership development for members outside of annual conference.			
more federal /state update information in the Masfap Monitor or other publication	membership fee should cover conference fees	place for schools to post news, questions, or best practices on the website	the most important topics (example - new federal regulations, verification) should be repeated once during the conferences	
More Grad/professional information				
More robust ListServ	Traveling Trainings (STL, KC, Springfield,	Mentorship! I'd love to be more involved, but it's hard to enter in to		

	Columbia)	such an established group.		
New to FA attend first MASFAP conference free	opportunity for a leadership track or training			
none				
Offer more opportunities for visibility for associate members	Individual business training			
One free conference registration per institution	All training should be video recorded for use remotely	Partner with associate groups to bring annual training to multiple locations within the state (USAF example-limited their locations in the Fall)	All conference dates should be on weekdays	Offer one conference and at least two drive in trainings plus partner with any/all associate groups doing training in the state
Plan and coordinate a conference that serves the needs of the member base.	Provide additional professional development opportunities beyond the conference.	Serve as a resource to the membership--through networking opportunities, the Listserv, and other events.	Keep the membership apprised of developments relevant to the membership.	
Professional development	Training on new regulatory changes	New to FA training	Training on biggest Program Review findings	"Ask MASFAP" resource
Professional Development				
Semi-formal mentoring	Leadership training	Resume/interviewing workshop	Prof development	Move conference to various sites
shared webinars	reduced registration for more than 2 attendees			
Training	Networking	Legislative Assistance	Scholarship	Fun!
Training	Conference			
training	online	networking		

	resources	opportunities		
Training	Networking Opportunities	Templates/Forms	Access to Publications	Speakers
Training	State/Federal Updates	Networking Opportunities	Professional Development	Financial Literacy
training	networking	opportunity to discuss regulatory updates		
Training & Development Webinars	Timely Federal Updates Assessments			
175				
Training (first and foremost)	Encouragement of Legislative Involvement	Session on Grant Writing - Invite Specialist		
Training/PD Opportunities	Legislative Support	Regulation Updates	Networking Opportunities	
Training on fed requirements	Training on state requirements	Open forums to discuss issues		
Training Opportunities	Conference	ListServ		
Training opportunities for younger staff	Networking	Incorporation of directors		
Trainings	Webinars	Policy Materials	Evaluations	
Webinars for member	In-person training for members	Conferences where ideas between institutions can be shared		
what is done now is fine				

2. MASFAP has added an ad hoc chair to the Executive Board. In order to more effectively communicate with the membership, Melissa Findley will serve as Communication Chair and provide one voice from the leadership. How often would you prefer to receive general communication from the MASFAP leadership? (Not including notifications about conference and training logistics leading up to the event.)

#	Answer		Response	%
3	Monthly		47	64%
2	Bi-Weekly		20	27%
1	Weekly		7	9%
	Total		74	100%
