

MASFAP December 2019 Communication

2019 Year-In-Review

Dear MASFAP,
I'm not sure where the time went but it is almost the end of 2019. In the blur of the holidays, I want to take a moment to recognize YOU, for all YOU do! You make it happen each and every day for students across our state and what you do matters! I'm very

proud to be associated with MASFAP and all you wonderful people who make it a great association.

And as we approach the end of the year, I want to wish you the very best holiday season with your families and friends. I am so thankful for you, my extended family! Thank you for all that you have done for me personally and for MASFAP this year. I will never forget this year! Additionally, I want to thank my co-workers at UMSL who supported me through the year.

And to quote the great Gilda Radner, "Life is about not knowing, having to change, taking the moment and making the best of it, without knowing what's going to happen next."

Happy Holidays MASFAP!
