2026 Board Kickoff Meeting

In February, President Kimberly Meeker hosted the first MASFAP Board Meeting of the year.

Meet your MASFAP “CEOs”—our Chief Energy Officers! We’re excited for everyone to join us on the energy bus throughout 2026.

The first meeting proved to be a truly memorable event. If you see one of our “CEOs,” ask them to name everyone in the group photo. To get you started... “Kimberly Ketchup.”

Here’s to a high-five and a high-energy year ahead for MASFAP!
