## New MASFAP Cohort for Transparency in Financial Aid Offers

The P.D. Committee is excited that 12 colleges and universities in Missouri will be part of MASFAP's 2nd Cohort on Financial Aid Offers with uAspire. The goal of this project is to bring clarity, transparency and equity to financial aid offer communications so students are able to make informed financial aid decisions to support their success. Here is the Cohort 2 roster:

Moberly Area Community College  
Logan University  
Truman State University  
Southwest Baptist University  
Kansas City University  
Goldfarb School Of Nursing at Barnes-Jewish College  
Lincoln University of Missouri  
Washington University in St. Louis  
Northwest Missouri State University

These schools applied to be part of the Cohort and were selected by the P.D. Committee. The financial aid teams will receive customized analysis and recommendations on their institution's aid offer from the team at uAspire. These recommendations will be provided in writing and at a one-on-one consult with the teams as part of a virtual convening in late April.

## MASFAP's 2022 Annual Conference November 7-9, 2022 Lodge of the Four Seasons

Work is well underway to bring MASFAP another unbelievable conference this Fall. We won't reveal the theme just yet, but promise that you will want to black out November 7-9 for 3 days of laughs, memories, learning and maybe a few mysteries. The conference will be fully in-person.

The Program Committee is grateful to everyone who submitted a session proposal or provided feedback after our last conference. It takes everyone's assistance to put on an unforgettable show, and conferences aren't just pulled out of a hat. If you have suggestions for the conference, please do not hesitate to email Stephen Garman at [StephenGarman@Missouristate.edu](mailto:StephenGarman@Missouristate.edu).
