## Have You Heard?

MASFAP will be getting a new look this year. ATAC, the company MASFAP has used for years to host our website, is ceasing its operations. While we have until the end of the year to complete the transition to a new site host, MASFAP has already begun the process, diligently researching other host companies. The goal is for the new website to be up and running before conference registration opens so that the convenience of online registration and payment is available. This is also a great opportunity to refresh our online presence and fine-tune web functionality. Be on the lookout for updates from this Ad Hoc Web Committee, chaired by Stephen Garman from Missouri State University.

## High School Counselor Workshops

The Early Awareness Committee, chaired by Kayla Klein from the University of Missouri-Columbia, is setting dates for the 2019 MASFAP High School Counselor Workshops. Please let Kayla (KleinKW@missouri.edu) know if you are interested in hosting a workshop!
