## Announcing MASFAP Annual Conference Speaker

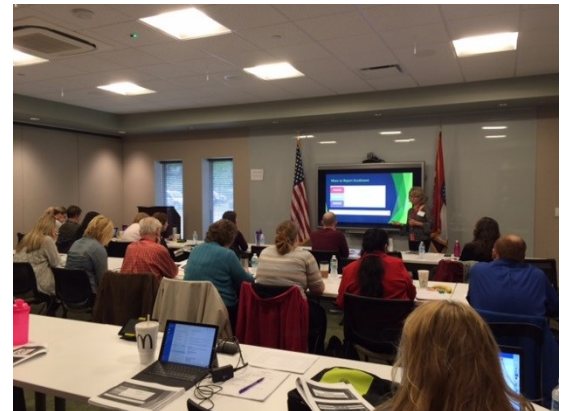

The Program Committee is very excited to announce Dr. Derek Greenfield as one of our 2017 conference speakers! Dr. G is a dynamic speaker who will educate and inspire us at the upcoming MASFAP Conference. He will kick off the conference on Monday, November 6, by promoting diversity, cultural competence and inclusion. This will help set the tone for an amazing conference! Dr. G will offer an additional session on the topic of millennials.

As a reminder, the conference registration is set at \$50 per person to honor our 50th anniversary. We hope you are planning on attending this conference—we are shooting for record attendance! Don't miss it—November 6-8 at the Lodge of the Four Seasons!

## NSLDS Training and Q/A Session Training Recap

Wendy Carter-Fischer from the University of Missouri-Columbia presented on NSLDS and provided an overview of the system and the many uses/functions. In the afternoon, Jennifer Haynes from Moberly Area Community College joined Wendy and guided a discussion on usage, problems and tips for using NSLDS. It was a great event with 25 in attendance.

Upcoming events for Professional Development include NASFAA credentialing training (Cash Management and Cost of Attendance) on Tuesday, June 6th and the MASFAP Town Hall on Tuesday, July 11. Registration for those events should be available on the MASFAP website very soon.

## MASFAP Election Time!

The MASFAP Nominations/Elections Committee, chaired by Past-Past-President Gena Boling is proud to announce the 2018 ballot. Gena stepped back in the role of chairing this committee when Angela Karlin, our Past-President, accepted a new position at University of Kansas. Thank you to all of the candidates for agreeing to run—please take a few minutes to read each of the candidacy statements. An official notification will go out from ATAC to the voting member of your institution when the ballot is live. The ballot will be open for 30 days – so you have some time to have discussions with your institutions on the candidates before the voting member casts your institution's ballot.

## Upcoming Training Opportunities:

- Tuesday, June 6—NASFAA Credentialing Session (Cash Management and Cost of Attendance)
- Tuesday, July 11—MASFAP Town Hall
- November 6-9—MASFAP Annual Conference

## MASFAP Members Spent Another Day in Jefferson City

Above: Alex Miller (William Woods University), Keely Knackstedt (University of Missouri-Columbia), Keri Gilbert (University of Missouri-Columbia) in the Capitol Rotunda.

We can definitely count our last minute Hill Day as a success! While there were only three of us, we had a great time and were able to meet with our representatives to discuss financial aid, its funding, and its impact on our students. We also watched some lively debates in the House and Senate (for those that attended Hill Day earlier this year, the House was debating an amendment to the higher penalties for crimes against police officers bill that was introduced during the session we attended in February). The sessions ran over, so we were unable to attend the House Higher Education Committee Meeting, so we used that time to stop by the Governor's Office. While we were unable to see Governor Greitens, we tagged along with a group of children and got to go into his office (we were told it was okay; we didn't just creep behind them or anything like that). Unfortunately, we were unable to inconspicuously leave a MASFAP flyer on his desk. :) We had a great time meeting with our legislators and feel that we were able to provide information and have good discussions about MASFAP and financial aid. We are so super excited that the supplemental Bright Flight appropriation has been sent to the Governor to sign, so hopefully that additional funding will be making its way to Missouri students soon. We cannot wait to get MASFAP back in the Capitol for another Hill Day once the next session opens!

Alex Miller striking the jackpot and getting two sodas for the price of one while waiting for the House to finish their session.

### **Bridgette Betz — Missouri University of Science and Technology**

- TYPE OF INSTITUTION: 4-yr Public University
- CURRENT POSITION: Director of Financial Aid
- YEARS IN PROFESSION: 12
- YEARS IN CURRENT POSITION: 4

### STATEMENT OF CANDIDACY:

I am honored to be nominated for the MASFAP position of President-elect. My financial aid career began almost 12 years ago at the Missouri University of Science and Technology (formerly University of Missouri-Rolla). I have worked my way through each job in the financial aid office and now serve as the Director for the Missouri S&T Student Financial Assistance Office. I first joined MASFAP in the year 2005 and have found a tremendous community of dedicated and passionate financial aid professionals and I would be incredibly proud to continue to serve.

I have been directly involved with the MASFAP board for the last few years; first as Technology Committee Chair in 2015 and this year I have had the pleasure to serve as Secretary. I also participated in the inaugural class of the Leadership Development Program in which our class focused on introducing new members to serve in MASFAP as well as to challenge the Financial Aid Directors in the state to become more involved and encourage their staff to be more involved. I thoroughly appreciate the time I have had with both the Leadership Development Program and the MASFAP board. I believe that I have gained a more broad understanding and appreciation of MASFAP through my current time of service.

This organization has given me (and many others) the gift of ‘community’ and I would truly welcome the opportunity to continue to serve MASFAP as President-elect.

#### **Kim Stonecipher-Fisher — Stephens College**

- TYPE OF INSTITUTION: 4-yr Private College
- CURRENT POSITION: Director of Financial Aid
- YEARS IN PROFESSION: 3.5
- YEARS IN CURRENT POSITION: 3.5

#### STATEMENT OF CANDIDACY:

The MASFAP leadership team and members continue to impress me year after year. In an industry that is constantly changing it is impressive to have so many people who we get to know on a first name basis who are willing share new ideas, support continuing education and be on-going resources. The relationships that are forged and the group's fun-loving comradery are an added bonus.

My experience with this organization has me excited to accept the nomination to run for Vice President. I believe I would work well with incoming President Kerry Hallahan from Logan University in supporting both her and the continuing mission of MASFAP. My strong organization skills, combined with my crazy creative ideas would help me tremendously in my role as vice president when planning the 2018 conference with the Board. My experience in negotiating contracts and budgeting would also come in handy as I work with the Site Chair to plan the conference. And let's be real – this Board gets things done and makes a difference not only in the lives of members, but in the lives of others in the State – and I LOVE that!

About me – (skip this if you don't want to be bored because the older I get the longer this gets) My undergraduate degree and MBA are both from Stephens College. I returned to Stephens College in 2006 as an adjunct professor. In 2014 became the director of financial aid after a short interim appointment. I'm licensed financial planner with a still active business practice and I handle the accounting for my husband Steve's 31-year old triathlon retail store, Tryathletics. We have one son Ryan, a daughter-in-law Kim (I know – pretty weird), and an above-average 4-year old grandson – Benjamin. (If this gave you pause, lookup Garrison Keillor). My community involvement has led me to being President of Women's Network, a member of the Chamber of Commerce Executive Board, President of True North (a shelter and services for of domestic and sexual violence), President of the Columbia Public Schools Foundation, a founding board member of Speaking of Women's Health, part of the United Way Leadership Circle, a board member of Voluntary Action Center, a founding member of the Dolly Parton Imagination Library for children and I co-hosted a radio show, "The Woman Show", for over 12 years and I am on the Board of Directors for Marriott's Frenchmen's Cove.

In my free time I like traveling, any activity involving water – including sailing and scuba diving, reading, binge-watching Netflix, and cooking and entertaining family and friends.

I hope you will support me in my desire to be elected to a more active role in MASFAP. I would do my best and I would greatly appreciate your vote!

- YEARS IN PROFESSION: 2
- YEARS IN CURRENT POSITION: 2

#### STATEMENT OF CANDIDACY:

Where do I start!? I fell in LOVE with MASFAP when I attended my first conference in fall of 2014. I was hooked from day one and I wanted to dive headfirst into this organization. I currently hold the role as chair for the Early Awareness Committee, which has become a passion of mine, as I have grown in my career in the financial aid field. I am a current member of the Leadership Development Program for 2017, too.

Born and raised in the Saint Louis area, my family found ourselves landing in mid-Missouri in November of 2012 for my husband's job. I transferred from UMSL to William Woods to finish my bachelor's degree. I graduated in 2014 with a Bachelor of Science in Accounting. I was a work-study student in the Financial Services Office as I finished up by degree, this turned into a full time job after graduating. I immediately started in the master's program and graduated in 2016 with a Master of Business Administration Entrepreneurial Leadership. In addition, I am so excited the path I have taken thus far!

Today I am submitting my candidacy to run for Vice President for the 2018 term. I am committed to serve this organization to the best of my ability and cannot wait to learn and grow as in an individual from this amazing membership. I am ready to serve next to the MASFAP President and make sure their goals for the organization are carried out. Please vote for me!!

#### **Becca Diskin—Missouri Southern State University**

- TYPE OF INSTITUTION: 4-yr Public University
- CURRENT POSITION: Director of Financial Aid
- YEARS IN PROFESSION: 17
- YEARS IN CURRENT POSITION: 6.5

#### STATEMENT OF CANDIDACY:

I am excited and honored to seek the position of MASFAP Treasurer-Elect for 2018. I have been a member of MASFAP since 2005, although I started my full-time career in Financial Aid at Pittsburg State University (KS) in 2000 as office manager. Verification was in my bones even before that, since I began working in FA in 1994 as a work-study student.

Over the years, I have enjoyed learning from others in FA as well as training them, and I collaborated with peers from other schools across the country during my 5 years with USA Funds Services. I think one of the best joys of my career are the friendships and relationships that are formed within the FA industry. The people are second to none!

I plan to help MASFAP remain strong as an industry leader and continue to provide high standards in the administration of our organization. Thank you for this opportunity to serve MASFAP. I would be thrilled to serve as your Treasurer.

**Kim Cary — Ozarks Technical Community College**

- TYPE OF INSTITUTION: 2 year Public
- CURRENT POSITION: College Director of Financial Aid
- YEARS IN PROFESSION: 17
- YEARS IN CURRENT POSITION: 1.5

STATEMENT OF CANDIDACY:

It would be a great opportunity to serve Missouri Institutions as your MASFAP Board Secretary. Through the many opportunities provided by this organization, I have learned so much from the leaders of the organization and the institutions that attend. Many mentors within each sector of our organization have helped me to develop my financial aid skills, leadership, and more importantly friendships. At a time when budgets are tight and travel is restricted, we still manage to connect. MASFAP is family.

I have not served MASFAP since 2009 and I truly believe it was because I thought 'I don't have the time to give'. That was the wrong mindset and missed out on so many wonderful opportunities to connect. Truth is...there is never enough time in the financial aid world and that is why our connections are so important to help each other.

I would appreciate the opportunity to serve as your MASFAP Board Secretary.

Sincerely,

  
Kim Cary

I appreciate the opportunity to run on the ballot and for those who have nominated me to serve as Delegate-Institutional on the MASFAP Executive Board. As a member in my fifth year with the MASFAP organization, I have had opportunity to engage in the financial aid professional learning environment MASFAP effectively supports. Many MASFAP members have helped and continue to help me find my way through the world of financial aid and I am honored to be giving back. I have always felt welcome and have found value in my involvement as a mentee and graduate of the Inaugural Leadership Development Program, through article submissions to the MASFAP Monitor as a member of the Communication Committee, FANG co-chair, and current Awards Committee Chair. #### STATEMENT OF CANDIDACY:

I have been involved in the financial aid field in some capacity at Missouri State University for 9 year, 7 of which have been spent as a full-time staff member. Throughout this journey, I have been a graduate assistant, a Financial Aid Counselor, an Assistant Director, and now an Associate Director. All of these positions have required extensive on-the-job training, but fortunately I have always been surrounded by wonderful colleagues to answer questions and troubleshoot problems. MASFAP served as a great vehicle for a new financial aid professional to get his bearings and continues to serve as a valuable training and reference network for a more seasoned professional trying to stay current with our evolving industry.

As a MASFAP Delegate at Large, I plan on keeping this culture of information sharing and high quality training at the forefront of my efforts. I will advocate for our industry and help facilitate the continued growth and vibrancy of our organization. The digital transformations we are seeing are wonderful in many ways, but there is nothing that can replace the value of a strong network of experts working toward shared goals, which is exactly what MASFAP is and will continue to be.

#### STATEMENT OF CANDIDACY:

The Missouri Association of Student Financial Aid Personnel (MASFAP) has been a major part of my growth and professional development over the years. So many people who are a part of the association have taken time to invest in others and help them develop as a leader and financial aid professional. I personally cannot begin to list those that have helped me along the way. Whether it was diving into federal methodology, offering me advice on policy and leadership, or simply listening to me vent, there are so many that have invested time and effort to help me succeed. Even as I send my staff members to MASFAP events I continue to see efforts to invest in others and help financial aid professionals have the resources and skills to grow and accomplish their goals. I have always felt supported and encouraged by my fellow MASFAPians and that's why I am honored to be nominated for the position of Delegate-at-Large. Thank you for your consideration and I look forward to representing the association's membership and contributing back to MASFAP.
