

MASFAP May 2018 Communication

MASFAP Election Time!

It's MASFAP Election Time! The Nominations and Elections Committee is excited to announce an excellent slate of candidates who have agreed to run for an office! Please take a few minutes to read each of the candidacy statements. The committee thinks you will agree, making a selection will be difficult, and no matter the outcome, the future of MASFAP will be in good hands. Thank you to all of the candidates for agreeing to run!

We plan is to have the election go live on Monday, May 14 and close at 5 p.m. on Wednesday, June 13. An official notification will go out from our system to the voting member of your institution when the ballot is live. The ballot will be open for 30 days – so you will have some time to have discussions with your institutions on the candidates before the voting member casts your institution's ballot.

NAME: Matthew L. Kearney

TYPE OF INSTITUTION: 4 year public

CURRENT POSITION: Director of Student Financial Services

YEARS IN PROFESSION: 8

NAME OF INSTITUTION: Southeast Missouri State University

YEARS IN CURRENT POSITION: 5 Weeks

STATEMENT OF CANDIDACY:

It is an honor, a privilege, and humbling to have been nominated to run for the President of MASFAP. I have had the distinct pleasure of serving on the board over the last five years in multiple positions. MASFAP is special to me for several reasons, but mostly, because of the connections I've made with individuals across the state. Without this association, I can truly say I would not be where I am professionally today. If elected, I plan to continue moving us forward so that we remain one of, if not the, strongest state associations in the country. As president, I would look to continue developing our newer generation of professionals, while also working to keep those who've been in the field a while, connected to the association and the members. We are in a unique time in higher education where we are seeing a wide gap in the age of workers and soon, as many of those on the tail end of their careers leave, I want to be sure we don't lose the knowledge and the history they have. It was evident from the 50th anniversary celebration we had at the lake last year, we have a tremendous story to tell and to continue writing, and I truly want to be a part of our next chapter. I appreciate your time and hope, even if it's not a vote for me, that you let your voice be heard and vote.

NAME: Dena Norris

TYPE OF INSTITUTION: 2 year public

CURRENT POSITION: Director of Student Financial Services

YEARS IN PROFESSION: 14 years

NAME OF INSTITUTION: Metropolitan Community College

YEARS IN CURRENT POSITION: 7 years

STATEMENT OF CANDIDACY:

I am very honored to be nominated for the President-Elect position. It has been a pleasure serving on the MASFAP Executive board for the last several years and I welcome the opportunity to serve the board as president-elect.

I have worked at Metropolitan Community College for over 22 years and 14 years ago the marketing position I was in was eliminated and I was asked to start up the financial aid operation at our newest campus where financial aid services did not exist. I was completely clueless about financial aid but I stepped up to the challenge. Lucky for me, I was quickly introduced to MASFAP. I thank MASFAP's professional development opportunities, conferences and colleagues for helping me become the financial aid professional I am today. The support and friendship (both personally and professionally) have been a blessing and a key component in my career success.

It has been a pleasure serving in various roles on the MASFAP Executive Board and on several committees. The members of MASFAP have worked hard to continue to strengthen our organization by continuing to increase the knowledge of our financial aid professionals in the state (ultimately strengthening our service to students) and the commitment to the communities we serve. I understand the commitment and responsibility of the president-elect position and I believe my skills and leadership can help continue to make MASFAP the best state organization in the nation.

NAME OF INSTITUTION: Stephens College

YEARS IN CURRENT POSITION: Just Started

STATEMENT OF CANDIDACY:

I would be honored to be your 2019 Vice President and Program Committee Chair. Being in the current position, I have learned the ins and outs of how to build a successful program. I know what it takes to lead a committee to make sure the job gets done for our membership. MASFAP has helped me grow as an individual professionally but also personally. I wouldn't be where I am today without the help and support of this awesome organization!!

Born and raised in the Saint Louis area, my family found ourselves landing in mid- Missouri in November of 2012 for my husband's job. I transferred from UMSL to William Woods to finish my bachelor's degree. I graduated in 2014 with a Bachelor of Science in Accounting. I was a work-study student in the Financial Services Office as I finished up my degree, this turned into a full time job after graduating. I immediately started in the master's program and graduated in 2016 with a Master of Business Administration Entrepreneurial Leadership. In addition, Financial Aid is my career and I could not be prouder.

Today I am submitting my candidacy to run for Vice President for the 2019 term. I am committed to serve this organization to the best of my ability and cannot wait to learn and grow as an individual from this amazing membership. I am ready to serve the next to the MASFAP President and make sure their goals for the organization are carried out. Please vote for me!!

NAME OF INSTITUTION: Missouri University of Science and Technology

YEARS IN CURRENT POSITION: 5

STATEMENT OF CANDIDACY:

I am honored to be nominated for the MASFAP position of Treasurer-elect. My financial aid career began almost 13 years ago at the Missouri University of Science and Technology (formerly University of Missouri-Rolla). I have worked my way through each job in the financial aid office and now serve as the Director for the Missouri S&T Student Financial Assistance Office. I first joined MASFAP in the year 2005 and have found a tremendous community of dedicated and passionate financial aid professionals and I would be incredibly proud to continue to serve.

I have been directly involved with MASFAP board for the last few years; as Secretary in 2017 and Technology Committee Chair in 2015 & 2018. I also participated in the inaugural class of the Leadership Development Program in which our class focused on introducing new members to serve in MASFAP as well as to challenge the Financial Aid Directors in the state to become more involved and encourage their staff to be more involved. I thoroughly appreciate the time I have had with both the Leadership Development Program and the MASFAP board. I believe that I have gained a more broad understanding and appreciation of MASFAP through my current time of service.

This organization has given me (and many others) the gift of 'community' and I would truly welcome the opportunity to continue to serve MASFAP as Treasurer-elect.

NAME: Laurel Miller

TYPE OF INSTITUTION: Private

CURRENT POSITION: Associate Director of Financial Aid

YEARS IN PROFESSION: 15 years

NAME OF INSTITUTION: Logan University

YEARS IN CURRENT POSITION: 4 Years

STATEMENT OF CANDIDACY:

My name is Laurel Miller and I have been in financial aid for 15 years. I started off my career as a Tuition Planner at a proprietary school. From there I moved in to the role of Financial Aid Advisor and then had the opportunity to become a director in 2006. I was a director for 2 years and then was promoted to a Regional Financial Aid Director and was in that role for 4 years. That was such an amazing opportunity and gave me so much experience in dealing with different student situations. It also gave me the opportunity to travel. I eventually landed at Logan University, as the Associate Director of Financial Aid.

Throughout my years in financial aid, I have always been a member of MASFAP and attended the conferences. My positions have not always allowed me to get involved at the level that I had wanted to, but now I am able to do so. The role of Treasurer has always intrigued me. Maybe it's my love of math and numbers! I believe that this would be a good position for me to try as I expand my leadership and involvement in MASFAP. I have some wonderful individuals who have preceded me and I know I will have a lot of support if chosen for the role of Treasurer.

I hope to provide confidence and accuracy as Treasurer. I know this role is vital and MASFAP members rely on this position for each role in which they serve, from President to member. I hope to gain more confidence in this role which encourage me to run for different positions within MASFAP. This would give me chance to expand my leadership abilities and allow me to give back to MASFAP.

There are many great candidates so no matter what I am thankful to all who have nominated me and encouraged me to run. I wish everyone the best of luck!

I would like to be considered for the position of Delegate-at-Large. I have not been in this profession very long and I would bring a new perspective to what the profession requires. They have allowed me to grow and learn in a safe nurturing environment and I would like to offer the same to the membership.
