High School Counselor Workshops

So far, we have over 200 high school counselors attending the MAFSAP High School Counselor Workshops! The Early Awareness Committee is excited to work together with high school counselors to make the handoff between high school and college easier for Missouri families.

Each location includes information and an overview of FAFSA changes for 2018-19, compares financial aid package awards, student perspectives, a session on filling financial aid gaps and round table discussions on FAFSA filing scenarios and questions. High school counselors can register on MASFAP's website at:

http://masfap.org/docs/toc_counselors.html

Space is limited as several of the workshops are at full capacity. Thank you, MASFAP, for your support of these workshops!

Upcoming Training Opportunities:

- **Wednesday, October 18**—registration and more information coming soon
- **November 6-9—MASFAP Annual Conference**—registration OPEN

Research Survey Coming Soon

The Legislative and Research Committees will be emailing every institutional voting member a survey on Reauthorization of the Higher Education Act and state aid programs. The purpose of this survey is to help MASFAP formulate a position and provide guidance to legislators on these topics. It is important that each voting member respond to this survey.
